NSCC Welcomes CEDA Into Membership

The National Specialist Contractors' Council (NSCC) is delighted to announce that the Catering Equipment Distributors Association (CEDA) will join NSCC on 1 June 2010.

CEDA represents 73 Specialist Contractors providing expert advice on choosing, designing and installing catering and kitchen equipment. Recent projects completed by CEDA members include the National Audit Office and River Café in London, the Waterside Inn at Bray, and a food technology laboratory at Northumbria University. CEDA members operate in accordance with an agreed code of practice and the CEDA Customer Charter.

The addition of CEDA brings the number of organisations under the NSCC umbrella to 32 representing over 7,000 businesses engaged in the construction of the built environment in both the commercial and domestic sectors.

NSCC President Hamish MacGregor welcomed CEDA into NSCC membership stating:

"CEDA demonstrates the breadth of specialist trades operating in the UK construction market which deliver a whole range of projects vital to our infrastructure and the economy."

Peter Kay, CEDA Director, responded:

"CEDA members fully support the objectives of NSCC and we are looking forward to working with fellow Specialist Contractors on key issues affecting our businesses."
